## CONDITIONAL USE PERMIT REVIEW

**DICKEY COUNTY ORDINANCE DEFINITION OF CONDITIONAL USE:** The development and administration of this Ordinance is based on the division of the County into districts within which the uses as land and buildings are mutually compatible. However, there are certain uses which, because of their unique characteristics cannot be classified as unrestricted permitted uses in any particular district or districts without consideration in each particular case of the impact of those uses upon adjoining lands or public facilities. Such uses nevertheless, may be necessary or desirable in a particular district provided that due consideration is given to location, development and operation of such uses.

No conditional use permit shall be recommended by the Planning and Zoning Commission or approved by the Commission unless the applicant shall have met all the following criteria:

1. Is proposed conditional use detrimental to or does it endanger the public health, safety, comfort or general welfare? \_\_\_\_\_ If yes, please explain.

---

---

2. Does the proposed conditional use substantially impair or diminish the value and enjoyment of other property in the area? \_\_\_\_\_ If yes, please explain why and who opposes.

---

---

3. Does the proposed conditional use impede the normal orderly development of the surrounding property? \_\_\_\_\_ If yes, please explain.

---

---

4. Are adequate utilities, access roads, drainage or other necessary site improvements being provided? \_\_\_\_\_ If no, please explain.

---

---

5. Have adequate measures been taken to provide ingress and egress to the property without adverse effects on the adjoining properties and traffic congestion in the public street? \_\_\_\_\_ If no, please explain.

---

---

6. Does the proposed conditional use conform to all applicable regulations of the district within which it is located? \_\_\_\_\_ If no, please explain.
