- Pay an annual fee in the amount of:

A crew housing fee in the amount of \$400 per person/bed shall be assessed for any “crew housing facilities” improvements as the term “crew housing facilities” is defined in 57-02.4-01 (1) of the North Dakota Century Code. This fee shall not be assessed against mobile or manufactures homes as defined under Chapter 57-55 of the North Dakota Century Code nor any park model trailers for which the owner has paid a park model trailer fee under Section 39-18-03.2 of the North Dakota Century Code.

For any lot utilized for the purposes of allowing the placement of mobile or manufactured homes as defined under Chapter 57-55 of the North Dakota Century Code or any park model trailers for which the owner has paid a park model trailer fee under Section 39-18-03.2 of the North Dakota Century Code as “crew housing”, a “crew housing facility” fee shall not be assessed. However, an annual fee of \$0.10 per square foot for the total square footage of the site shall be assessed. Example:

$$\text{Site } 200' \times 400' = 80,000\text{SF}, 80,000\text{SF} \times 0.10 = \$8,000$$

- A copy of the closure/reclamation plans.
- Submit a surety bond for clean-up purposes using the following calculation:

The surety bond shall be calculated by requiring the sum of \$500 per occupant for which the applicant has applied in requesting a Temporary Crew Housing permit. For example, in the event that the applicant has applied for a crew housing facility that would allow a maximum of 250 occupants to be housed in the said facility or upon the said site, the bond would be calculated as follows:

$$250 \text{ occupants} \times \$500 = \$125,000$$

This bond shall be based upon the number of occupants allowed under the temporary crew housing permit and not the number of occupants actually residing in or upon said housing facilities or site. For example, in the event that a facility or site is permitted to house up to 250 occupants, but in fact, only 150 individuals actually reside in or upon the said facility or site, a surety bond in the amount of \$125,000, would still be required under this provision.

- Off-street parking shall be provided on a one-to-one ratio, one parking space for a personal vehicle and one parking space for a commercial vehicle for each occupant.

Prohibited Activities: No alcoholic beverages, illegal substances, or animals are allowed on the premises of a crew camp housing facility. No parking will be allowed between units and the site is to be maintained free of garbage and junk.
